

The TIE

**From our pastor,
Rev. Elisabeth Middelberg**

Well. . . Your interim pastor came down with a light bout of Covid last week. Just when we think we are relatively safe and the pandemic may be in our rear-view mirror, we hear that cases in most states, including California, are on the rise again. The World Health Organization first used the term Pandemic on March 11, 2020, now more than 4 years ago. But experts cannot agree whether we are still in a pandemic. These days, a lot of people refer to the pandemic in the past tense. “During COVID,” they say, or, “when we were in the pandemic.”

The implication is that the virus is gone, and the pandemic is over. Dr. Mandy Cohen, director of the U.S. Centers for Disease Control and Prevention, suggests that “Rather than getting caught up in the semantics of it, people should feel confident that

we are outside of the emergency phase. But I don’t want folks to forget that COVID is still here and still poses a risk.”

So, at the beginning of the summer, when Covid cases seem to spike, let’s keep each other safe. If you are not feeling well, please let us know and rest at home. We are happy to reach out and call you to see if there is anything you need. The services can be followed online, and if we know you are home, sick, you will most likely hear somebody praying for you during the service.

Luckily, I was told in time that I had been exposed. It was in the week before Juneteenth, and I knew that Oak Dowling took a trip to Selma recently. This was a “witnessing tour,” which took Oak to Alabama and Georgia. The aim of the tour was to take people into the heart of the civil rights movement to gain a deeper understanding of the historic and continued struggle for racial equality in the United States.

I was so grateful that Oak, with just a few days’ notice, was willing to share his reflections of this trip, and I was grateful that I could watch it on our YouTube channel. Bob Spofford had been able to set up the equipment for all of us to listen and watch the images Oak had brought with him. We saw the tomb of Dr. Martin Luther King, surrounded by water. We saw images of the sites where the slave ships landed, images of large sculptures which invited people to come eye to eye, Oak said, with hundreds of years of atrocities and appalling treatment of African people.

The image that stayed with me, was an image of thousands of jars, all lined up on shelves in the Equal Justice Museum. Each jar contained

the soil of the place where a Black American had been lynched. Oak said that there were 4000 jars.... Lynchings, which did not just take place in the South, but even here in San Rafael. The tour also featured the stories of the central figures of the civil rights movement and of others still fighting for justice and equality.

Oak mentioned the work of the "Equal Justice Initiative," an organization well known by those who have read the book *Just Mercy* by Bryan Stevenson. They are doing incredible work, confronting America's legacy of injustice and combatting over-incarceration and poverty. They also continue to educate people about the truth of what has happened in America. I encourage you to visit their website to learn more. Oak will give a longer lecture on the same topic on July 8, via zoom. If you are interested in seeing that, see page 5 of this issue of the TIE. I want to thank Oak for his willingness to take the tour and share his reflections with us. We could all see that it was life transforming.

We have some exciting series and events scheduled for the summer. We know that many people are on vacation but if you are in town, please join us. It is a great time to invite family and friends who may be visiting to join as well.

with us!

We will be worshipping at 10 AM.

The service will also be available streaming on YouTube (see next page).

July 7 10 AM Rev. Wally Bryen, Guest preacher

Rev. Bryant is one of the chaplains at Lucille Packard Children's Hospital. He is also a member of the Lakeshore Ave Baptist Church in Oakland. Pastor Elisabeth has heard Rev. Bryen speak several times in the last few years and is always moved by his wisdom and his care for the people he is speaking to. She thinks you will be touched by his presence.

July 14 10 AM Worship Communion Sunday **The beginning of Summer Sermon Session called:** **“Beguiled by Beauty”**

All things are beautiful—not by a standard of “pretty” as seen by our eyes, but by an essence of sacred worth that is sensed by the spirit. This is the root and heart of compassion and justice. Beauty is the threshold to Divine Goodness and a door into radical compassion. “The difficulty and crisis of the world is overwhelming. It is virtually impossible to bear it without very deep resources. A life of prayer does not take us out of life but deeper into it.” We pursue a contemplative life to intensify spiritual capacities so that we might live as Beloveds of God who extend Goodness in the world.

July 21 10 AM Worship **Awakening to Beauty, Falling in Love with the World**

How good it is to praise our God!

It is a pleasure to make beautiful praise! YHWH rebuilds Jerusalem, and gathers Israel's exiles. God heals the brokenhearted, and binds up their wounds. — Psalm 147: 1-11 (Inclusive Bible)

July 28 10 AM Worship **Abyss, Mystery, and Wonder**

The spiritual part of ourselves could be called a “divine abyss.” It is a dimension that is not touched by words, thoughts, ideas and feelings. Our bodies were made for perceiving the beauty of the world—a flower, a kiss, a stunning and vibrant green hillside, a newborn baby. And yet all the art in the world cannot capture exactly what it feels like to experience the Divine nature of these things.

WANT TO READ A GOOD BOOK AND TALK ABOUT IT WITH FRIENDS? Thursday, August 22, at 7:30 PM on Zoom

Were you intrigued by Oak Dowling’s presentation during worship in June? If so, you will likely enjoy reading *Just Mercy*, by Bryan Stevenson, published in 2014. It was named the named one of the most influential books of the decade by CNN and named one of the Best Books of the Year by *The New York Times* • *The Washington Post* • *The Boston Globe*.

Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Stevenson into a tangle of conspiracy, political machination, and legal brinksmanship—and transformed his understanding of mercy and justice forever.

Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer’s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice.

It is easily available from both Sonoma and Marin County Libraries. The paperback version is about \$15, and you can purchase it at local bookstores or online from a variety of places.

EVERYONE is welcome, and feel free to invite a friend. Use the church Zoom link:

REMEMBERING KRISTI DENHAM

Rev. Kristi Lynn Denham passed away on Wednesday June 19th. We heard that her sons were with her at the time. Kristi had been battling cancer and decided recently to forgo further treatment, after it became clear that treatment was not giving her the results she was hoping for. Many of you attended her birthday, just a few weeks ago, and Kristi was able to be surrounded by her family and by many people of the different communities she was a part of.

Kristi was a member of our church, FCC San Rafael, and she was an intern here several decades ago, dancing with people down the aisle during services. She also was the “emergency” pastor here when the church found itself in between pastors.

Her memorial service is set for Saturday, Aug. 10, at 2 PM, at the Congregational Church of the Peninsula where Rev. Denham served as Pastor Emerita from 1999-2019. We want to express our gratitude to Rev. Kristi for all that she brought to us and so many other communities. You can read her Obituary here.

<https://www.legacy.com/us/obituaries/legacyremembers/kristi-denham-obituary?id=55439439>

(As of June 22, the family was still looking for somebody to adopt Kristi’s cats. Please inform Pastor Elisabeth, if you know someone willing to do that.)

BOARD OF MISSION MISSION MATTERS

PILLOW SUNDAY - JUNE 9 - A BIG SUCCESS

On June 9, we collected 38 new pillows for Homeward Bound! Thanks so so much to everyone who contributed. Cathi Fuller, who helped deliver the pillows, reported, “we passed a resident who saw the big bags of pillows we were carrying and with enthusiasm asked if she could put her name on one right away! A couple of staff members who helped us carry the pillows mentioned how they have been seen an increasing number of more elderly unhoused and housing challenged folk. They particularly often ask if they might have more than one pillow to help with positioning for back or joint pains.” **Again, Thank you!**

BACKPACK SUNDAY - JULY 28

This is our annual gathering of school supplies for the Ritter Center kids. Please bring your donations to church on July 28; they will be distributed to the kids at Ritter Center in early August, because the school start dates are early. Here’s what is needed:

- New backpacks (boys and girls, high need for elementary school)
- Binders (small/large) and binder paper
- Tabbed dividers and zip pouches
- Pencils (#2/colored), pens, and erasers
- Glue sticks and index cards
- Rulers, staplers, and small scissors
- Markers, crayons, and highlighters
- Pocket folders and spiral one-subject notebooks
- Calculators (especially graphing calculators such as TI-83)
- Geometry drafting sets

There is always a GREAT NEED for department store gift cards and cash donations

→**TIP:** You may want to cut out this list for your purse or pocket.

SAVE THE DATES!

THE STREET CHAPLAINCY DINNERS, SEPT. 3 and DEC. 3

The Board of Mission has committed to helping prepare and serve dinner for those in need four times this year. On Tuesday, September 3, a group of us will volunteer for the third time at the Street Chaplaincy dinner at the First Presbyterian Church in San Rafael We will also be volunteering for dinner on Tuesday, December 3.

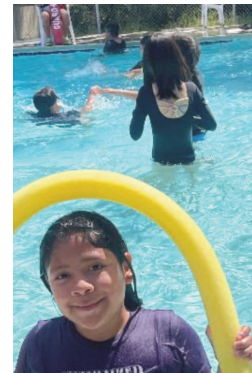

It costs about \$250 dollars to purchase the groceries for each meal, at which we feed about 80 people. So where does the money come from? The Board of Mission is using money from The Pilgrim Hill Fund, which was created two decades ago by our church as a special fund for mission outreach in our community.

BOARD OF MISSION REPORT ON OUR OUTREACH TO LOCAL ELEMENTARY SCHOOLS

The Board of Mission administers our church's Pilgrim Hill Fund, which was founded at the time we renovated our sanctuary, over two decades ago. Last fall our board decided to use part of these funds to reach out to local elementary schools, inviting them to submit applications for a \$1000 grant. We awarded grants to two schools who applied. Here are descriptions of how they proposed to use the money, and their reports from the end of this school year.

San Pedro Elementary School Proposal

San Pedro 4th graders will attend a spectacular outdoor education program! This past school year we received a donation from a local community member which helped fund our 4th grade students to attend MOSAIC, an outdoor education program near Santa Cruz focusing on the development of social-emotional skills. The \$1,000 grant would be used to directly serve our 4th grade students by supplementing the cost of the program for 90 San Pedro 4th graders (in addition to other funds received from family contributions, our school PTA, other possible donors, and our school budget).

San Pedro Elementary School Report

Thank you so much for your generous contribution to our school!

In April, my class of 4th grade students attended the Mosaic Project in Santa Cruz. The Mosaic Project is an incredible opportunity for students to meet other kids from diverse backgrounds all over the Bay Area. The lessons they learn focus on mutual respect, open mindedness, self-respect, positive attitude, individuality, and community. For most of our students, this is the first experience they've ever had away from home. It's a huge growing experience, and it's incredibly transformative for our school community. This is a safe and nurturing environment with a staff that is truly focused on being peacemakers in the world. Here are a few photos to share.

Will Fewell
4th Grade Teacher
San Pedro Elementary School

Venetia Valley School Proposal

Our focus for this project will be our middle grade (6th - 8th) students. Our goal is to engage all of our 250 middle grade students in a Social Emotional Learning (SEL) project that teaches students how to be productive, responsible and critical thinking citizens in our communities with a major emphasis on social justice. Our students will engage in activities that will benefit the school community as a whole as they model our Falcon Expectations to their fellow students, but also as role models for our elementary students, many of whom are their younger siblings. By incorporating a Falcon Store at Venetia Valley to incentivize our students to earn Falcon Cards to exchange for prizes when they model the positive behaviors listed in our Falcon Expectations, our students will experience how their hard work contributes to our global society, how the economy works and a glimpse at personal financial responsibility.

Venetia Valley School Report

Principal Pepe Gonzalez reports how much the "student store" has meant to the middle school students. They have earned Falcon Cards for demonstrating positive behaviors and are able to cash them in and get tangible rewards that were purchased with your generous donation. The other component to the funds we received is the support that we have been able to fund from our local partner, Youth Transforming Justice (YTJ.) This group, YTJ, has supported our teachers and administration team on how to build better positive school climates and on how to restore issues when harm has been done between students.

BOARD OF MINISTRY REPORT

The Board of Ministry Team's key role in the church is to coordinate with the Pastor and Music Director in providing meaningful worship services throughout the liturgical year. We address the spiritual life of the church through the following areas: welcome and outreach, worship and prayer, fellowship, and education.

Pastoral Care/ Agape/ Prayer Chain

The Agape Team provides “compassionate connection to our church community through words of encouragement, cards, phone calls, home visits, and other support as needed. The Agape team will have cards to be signed by church family members on the name tag table in the narthex, so be sure to look for them and sign them before or after worship on Sundays.

Prayer Chain E-mail either Julie Dowling isabella1472@comcast.net or Annie Song-Hill asonghill@gmail.com if you have a prayer request you would like included in the prayer chain.

Community/Fellowship Time and Spiritual Life

June 8 Gratitude has been expressed for a meaningful and uplifting Spring Prayer Retreat: “Holy Spirit, Pray with Us” in the Knopf’s Garden on June 8th. We participated in scripture, poems and hymns for contemplation, a guided meditation followed by silent meditation, prayers of “joys and concerns” and sharing gratitudes in word and song. We had a communion time of sharing brunch and outreaching to members unable to join us through creating collage greeting cards. In light of the enthusiasm for the guided meditation time at the retreat, it was decided to continue the experience beginning in July. More information will be forthcoming on WHEN and WHERE in What’s Happening.

June 16 We met for informal lunch on the patio of La Hacienda Restaurant following Sunday worship and community time.

Juneteenth Invitation from Christ Church Presbyterian Church to join their celebration on Sat June 15th.

Worship in June

June 16 Fathers Day As an introduction to the sermon, some fathers responded to questions about what they love the most about being a father, what got them through challenging times and how has your faith been a part of their fathering.

June 23 Juneteenth Oak Dowling shared his life enhancing journey with the Road Scholars Civil Rights Tour. He gained personal growth through the history, memorials, personal stories and friendships with folk in Alabama and Georgia who had first hand experience and in-depth knowledge. Gerry led us in uplifting music including the “Black National Anthem,” Lift Every Voice and Sing!

June 30 Pride Sunday We celebrated and adorned our church buildings with rainbow colors and refreshments. We welcome all “whoever you are, wherever you are on life’s journey,” whomever you love...YOU are welcome here. It is a Sunday designated to especially reaffirming our commitment and contract to be an Open and Affirming Community. To quote the UCC Resources benediction: “...Let us persist in the face of adversity, resist all forms of hate, and remain steadfast in our faith. May our lives be a witness to the power of hope and the resilience found in God’s love. Let us commit to creating safe and brave spaces for all, standing with our LGBTQIA+ siblings against all forms of hate and discrimination...” When our Pride flags are torn and torn down in hatred, we will hang them up mended or new again and again

PILGRIM PARK NEWS

Reroofing project -- We are almost finished with reroofing the remaining buildings. During the roofing, some rot/decay was discovered in the small roofs over about three balconies. Repair was outside the scope of the roofers. So, another contractor was called in to repair these roof structures.

Church landscaping project -- Now that we have a topographical map of the area to be relandscaped, the architects can begin their creative work. Barbara Brown, who designed the new church sanctuary, will be assisted by a landscape architect familiar with Marin conditions.

General Condition of Pilgrim Park -- The property now is about 54 years old. The buildings, landscaping, etc., are in excellent condition. We expect that a report on building code changes since the project was built will show other improvements we should consider.

Budget -- Pilgrim Park's fiscal year ends June 30, 2024. We expect to end the year close to budget. The board will soon meet to approve next year's budget. Pilgrim Park remains in strong financial condition.
